

# INTERNET UNIVERSITY

## Webinar Series

### Considerations, Issues & Solutions for Blended Learning & Live Collaboration

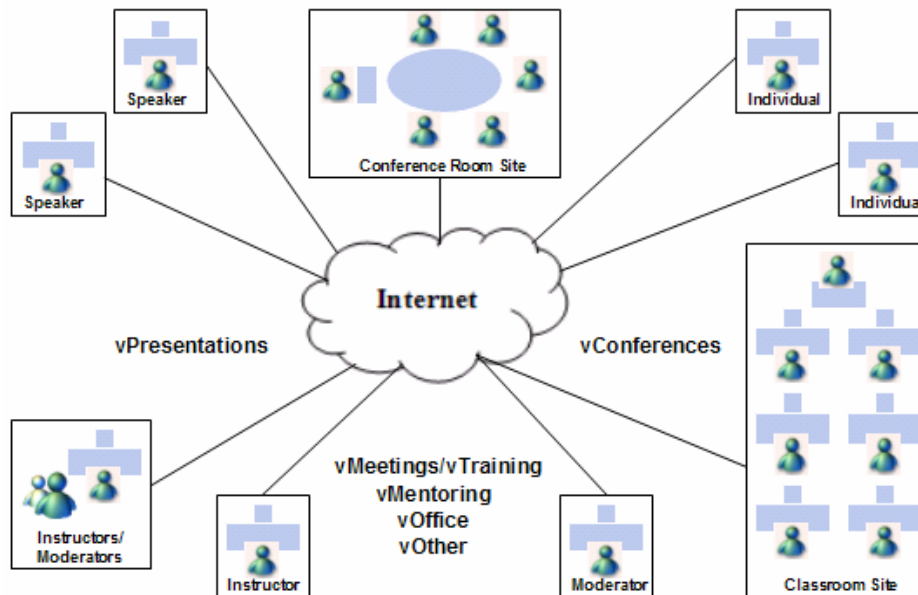

You are invited to attend the following series of one-hour webinars entitled, Considerations, Issues & Solutions for Blended Learning & Live Collaboration or Is your organization ready to use a web conferencing system? If so, why, where and how do you begin? Contact Dave Collins

<[dcollins@internet-university.net](mailto:dcollins@internet-university.net)> or Bill Graziadei <[bgraziadei@internet-university.net](mailto:bgraziadei@internet-university.net)> to make arrangements to attend the webinars.

### Description

In the webinar series entitled, "Considerations, Issues & Solutions for Blended Learning & Live Collaboration, Dave Collins, IU CEO and Bill Graziadei, Ph.D. SUNY Professor Emeritus and IU Chief Learning Officer will delve into some of the critical but often overlooked issues in implementing a successful remote learning initiative – Why, What, How, & When. This webinar will also provide guidance on evaluating web conferencing solutions for anyone interested in using a live collaboration conferencing system that best fits their organization's needs. It will discuss five key selection criteria: Conferencing Media, Ease of Use, Integration, Security and ROI & Cost. We'll do our best to make this virtual meeting as personal and productive as working shoulder to shoulder.

 **Anytime, Anywhere & Anyhow Conferencing Configurations**

## (e)Learning Considerations, Issues & Solutions: Why, What, How & When...

Tell me and I may forget. Show me and I may remember. Involve me and I will understand.
